# All About the racing

**Categories:** There are three different categories of carts that will be racing:

Custom design: Unique designs, styles, engineering and direct steering created at home

Classic design: Traditional style karts with rope steering, created at home

One design: Classic carts created by Mocka. All are the same except the length is adjusted

**Starts and finishes:** There are different starts according to the children's age: Zoomers (5-6 year olds), Sprinters (7 to 9 year olds) and Rockets (10 – 12 year olds). The older the child the higher up the hill they start! It is a standing start—gravity does the rest! The finish line is near the bottom flat and there is a long slow down area before the tyre wall.

**Timing:** Races are against the clock. The winners are the fastest from start to finish over 1 or 2 runs (depending on time). Races begin around 9.30 and go through to 1(ish). Before races children will have the opportunity to get the feel of the hill and their cart.

**Trophies:** Trophies and prizes can be won for each category and each age group. There is also an overall design champion trophy up for grabs. For One Design racing, the winner will be worked out on driver fearlessness—They will be crowned the Champion of Fear!

**Safety:** Drivers are required to wear long pants and sleeves, covered shoes, helmet, knee and elbow pads, and gloves. Hazards on the track are protected with old tyres. All carts are checked for safety prior to racing.

**Spectating:** You can watch the races from anywhere on the same side of the track as the event area. No-one is allowed onto the track once a cart has begun.

**Help:** Vehicles will be on-site to tow the carts back up. Marshalls will be watching closely.

## Organisation

**Getting there:** All children need to be dropped off at 9am and picked up at 2pm at the race site off Awatea Road—NOT AT SCHOOL. We hope you can all stay to be part of the fun as it will be a great day for everyone.

**Parking:** Parking is in the Awatea Reserve just past the race hill. Follow the signs. Carts, bikes, scooters and skateboards should be dropped off at the bottom of the hill.

**Event area:** The event area is to the right of the hill as you look up it plus below the tyre wall (for bikes, scooters, etc.). All children and adults need to stay in these areas.

**Toilets:** Portaloos are available at the bottom of the hill (*thanks Hamilton Party Hire*)

**First aid:** The first aid station is located at the judges tent by the finish line.

**Leaving early:** If leaving early with your child you MUST sign them out at the judges tent.

**Money:** This is a fundraising day. Children are encouraged to bring money for activities, food and drink. Children need to look after their own money—a purse is recommended.

# Other Activities

These are the exciting activities that are planned for the day. Others may be added. Some are free, others cost money. For paid activities, children will be given 1 or more tokens so that everyone can enjoy them. Some will be on all day, others just at certain times. Children are free to choose from all the activities on offer whenever they like.

**Bouncy slide:** This super-size bouncy tower and slide is just \$1 for loads of leaping, bouncing and flying around. *Thanks GJ Gardner Homes*

**Face painting:** For just \$1 get your face painted by a leading face painting artist! *Thanks Joe's Face painting*

**Pony rides:** Two ponies will be available for a gentle ride around the paddock! The cost is \$1. *Thanks Gill Matheson*

**Treasure Hunt:** Pay \$1 for the chance to win some serious money! Place a stick where you think the treasure is buried and whoever gets the closest wins the lot! *Thanks Bloxam, Burnett & Olliver (BBO)*

**Ball race:** Pay \$1 to "buy" a ball. When they're all sold they'll all be released from the top of the hill. The first to the end wins \$\$\$! *Thanks Triple S Properties*

**Sponge throwing:** All through the day different teachers and children will stick their heads through the specially designed sponge zone—For \$1 throw wet sponges at them! *Thanks Whatawhata School PTA*

**Grass hill racing:** In this exciting free activity, you can slide down the steepest hill on special grass sliding boards.

**Scooters, carts and bikes:** Bring along your bike, skateboard or scooter (or borrow someone else's) for some fun on this super-smooth course. It's free.

**Hill rolling area:** Great old-fashioned fun. Go rolling down a hill until you're too dizzy to do it any more! It's free.

**Mocka cart auction:** At the end of the day we'll auction off some or all of our Mocka Carts (worth \$149 each). Reserve price will be \$75 each.
